

Sermon Guide – April 30, 2023

Read 1 Peter 2:19-25.

What are your thoughts on suffering? Where does it come from? What is the purpose of suffering? What can we learn from suffering?

What does it mean to you that Jesus knows your suffering?

What does the phrase “Guardian of the Soul” mean to you?

Now read Psalm 23, perhaps in different translations. Which translation do you like best? Which translation helps you best understand? (They may not necessarily be the same!)

What new insights do you have from reading the psalm today?
