

Sermon Guide – April 14, 2024 – Hands and Feet

Luke 24:36-48 is a continuation of last Sunday's Walk to Emmaus story. What do you think is the significance of Jesus telling his disciples to look at his hands and his feet rather than at his face or into his eyes?

Write a description of your feet. Of your hands. What do you most appreciate about your hands, your feet? What, if anything, don't you like about them?

Tell about important, meaningful things your hands have done.

Whose hands have made a significant impact upon your life? In what way?
