

Sermon Guide – Jan. 31, 2021

Deut. 18:15-20 and Mark 1:21-28

These passages both mention “authority.” What does “authority” mean to you in the context of these words from scripture?

What kind of authority do you have? What responsibilities come with that authority?

Who has authority over you? How do you feel about that?

Pastor Cindy suggests we have authority as followers of Jesus Christ. Discipleship leads to evangelism. How do you feel about having that kind of authority? Are you willing to accept that authority and the responsibilities that come with it?

Jesus wants more than amazement from his followers. He wants ACTION!
What are you willing to do?
